

Camp Tapawingo

Counselor in Training Application 2024

Dear prospective Counselor in Training,

We are all looking forward to another fantastic summer at Camp Tapawingo and are excited that you are interested in joining us to develop your leadership skills, have fun, and take on the responsibility of becoming a Counselor in Training. Many Tapawingo alumni say their CIT summers were the most fun and impactful of their life, and that they made life-long friends at the CIT sessions. We believe you'll find it to be similarly impactful and can't wait to see what you bring to the table.

Additionally, being a Counselor in Training requires working closely with peers, girls, and staff who vary in age, race, culture, values, nationality, and backgrounds in order to make the camp experience a positive and memorable one for all campers. CITs serve as role models for younger girls, and are leaders at camp. Being a Counselor in Training requires a serious and strong commitment to Girl Scout values and an appreciation for every member of the camp community. For this reason, we require an application for all CITs.

Any teen wishing to become a Counselor in Training at Camp Tapawingo must submit the following:

- Completed application
- Camp activity lesson plan (instructions on page 3)
- One to three letters of reference from a **non-family** member.

All application materials must be sent together and should be submitted to:

Girl Scouts of Central Illinois
c/o Sarah Roberts
1103 W Lake Ave
Peoria, IL 61614

OR Send via email to sroberts@girlscouts-gsci.org

Applications are accepted on a rolling basis. CIT I (those entering grades 9-10) must attend all of the two week session (June 16-28) and go home over weekends. CIT II (those entering grades 11-12) must attend training week (June 9-14). Exceptions are taken on a case-by-case basis and typically given only if you have attended the same level of CIT the previous summer. You will also choose apprenticeship weeks. Spots for CIT II apprenticeship weeks fill quickly - get your application in early for the best chance to get your preferred apprenticeship week.

We can't wait to see what this summer has in store! Thank you for your interest and we look forward to working with you.

Sincerely,

Sarah "Freckles" Roberts
Manager of Outdoor Experiences
