

## Outdoor Adventure Facilitator Agreement

Thank you for becoming certified as a GSCI Volunteer Facilitator for our Outdoor Adventure Programs such as boating and archery. GSCI will be providing you with the necessary trainings and tools to lead engaging and safe Outdoor Adventure Programs for our members and outside organizations who utilize our camp properties and amenities. Please read through the following agreement carefully so you are fully aware of the expectations. If you cannot agree to the expectations, you may decline to continue with the certification process now.

Name \_\_\_\_\_

Email \_\_\_\_\_ Phone Number \_\_\_\_\_

Address: \_\_\_\_\_ City \_\_\_\_\_ Zip Code \_\_\_\_\_

Type of Training \_\_\_\_\_

Date of Training \_\_\_\_\_

I, \_\_\_\_\_ (name) agree to the terms and requirements of training and receiving my certification through Girl Scouts of Central Illinois. **Upon completion of my certification, I understand that GSCI will require me to lead and facilitate at least 4 programs within each of my field of training** (boating and/or archery).

I, \_\_\_\_\_ (name) understand that I will receive a stipend for facilitating. To receive the stipend, I must send confirmation via email that the program was delivered, including facilitator arrival and departure time, and a summary of any issues that arose during the program. (\$15 per 2-hour session)

I, \_\_\_\_\_ (name) understand that even though I am a facilitator an outdoor adventure request and payment will need to be submitted for my troop to participate in the activity.

I, \_\_\_\_\_ (name) understand that facilitating outdoor programs can be physically taxing, requiring extending standing, sitting, reaching, bending, stooping, as well as adequate hearing, vision, and communication abilities to safely monitor all participants. Any concerns regarding the physical requirements should be discussed with council staff prior to the start of training.

## Thank You!

**As a thank for becoming a facilitator, you are now able to facilitate one free session of the activity you are now certified in for your troop.**

However, there are a few requirements that must be met to schedule your troops free session. You have attended and completed a GSCI provided training for archery and/or boating. You have already facilitated 2 of the 4 sessions facilitators have agreed to facilitate per year.

When your troop is ready to schedule the activity and you have completed both requirements, please complete the Outdoor Adventure Request form and mention in the notes that you would like to redeem the one free activity for your troop.

**Please Note:** You will not be eligible for a stipend for facilitating the one free activity for your troop.

I, \_\_\_\_\_ (name) understand the requirements needed to redeem the one free session of archery and/or boating for my troop.

*Please complete and return to:* Sarah Roberts, Manager of Outdoor Experiences
